

## THE ROLE AND WHAT TO EXPECT

To carry out electrical test & Inspections and remedial work ensuring that all tasks and activities are performed to satisfy Quality Plans and Specifications, in accordance with company policies, procedures, UK Regulations and Client requirements..

## WHAT YOU WILL NEED TO SUCCEED

- Experience in a similar role within an industrial and/or manufacturing environment. Domestic or Commercial experience will not be considered
- Experience of working in the food and beverage industry would be advantageous
- Proven electrical test and inspection capability
- Competent in interpreting wiring diagrams
- Aware of Crimping – to a high specification
- Checking accurate documentation/ adherence to quality and policy
- Mega testing for continuity and isolation
- Measuring cable lengths
- Able to read and interpret Electrical Schematic Diagrams & Drawings
- Use of MS Offices such as Microsoft Excel, Word & Outlook

## ABOUT YOU

- Ability to work independently, take ownership and accountability without daily guidance
- Excellent interpersonal skills with ability to build relationships
- Professional manner with strong command of the English language
- Ability to work without supervision; use own initiative and solve problems
- Keen eye for accuracy and attention to detail with a methodical approach
- Works well under pressure with ability to prioritise workload, multitask and deliver to deadlines

## ABOUT ADI GROUP

adi Group is a large, multi-disciplined, privately owned engineering company offering a single source, integrated service to provide Totally Engineered Solutions.

Founded in 1990, the group specialises in supporting the manufacturing sector in the UK & Ireland, through 16 limited companies and over 20 service divisions. Enjoying exponential growth over the last three years, the Group has seen its workforce increase by 50% to over 500 employees and is expected to double in size by 2020.

## WHY WORK FOR US

Whether you work at our flagship head office, at one of our 11 regional offices, or at one of our client residences, a job at adi is fast-paced and promises variety, progression and opportunity.

We are dedicated to creating a winning team with a strong work ethic, a commitment to excellence and above all, a passion for engineering.

## HOW TO APPLY

If you are a professional hands-on, self-motivated and team focused individual who is reliable and flexible in their approach to work with a keen eye for accuracy and attention to detail – we want you!
