

# Compressor Service Engineer

## THE ROLE AND WHAT TO EXPECT

We are a specialist distributor of Atlas Copco equipment located in the Birmingham area and provide sales, service and maintenance of compressed air equipment throughout Midlands and other surrounding counties, targeting sectors such as the food industry, Commercial and Industrial.

You will be responsible for the service, maintenance and fault finding of compressors and other associated equipment such as plant equipment and pumping systems, etc., and some installation of steel/ aluminium pipe work may also be required.

You will be looking for potential sales leads on new and aftermarket equipment.

The role will be covering the Midlands and occasionally further afield, with occasional nights away.

## WHAT YOU WILL NEED TO SUCCEED

- Possess a recognized engineering qualification (C&G, ONC, HNC, HND etc.)
- A good strong background in a similar engineering role.
- Knowledge of the relevant industry

## ABOUT ADI GROUP

adi Group is a large, multi-disciplined, privately owned engineering company offering a single source, integrated service to provide Totally Engineered Solutions. Founded in 1990, the group specialises in supporting the manufacturing sector in the UK & Ireland, through 16 limited companies and over 20 service divisions. Enjoying exponential growth over the last three years, the Group has seen its workforce increase by 50% to over 500 employees and is expected to double in size by 2020.

## WHY WORK FOR US

Whether you work at our flagship head office, at one of our 11 regional offices, or at one of our client residencies, a job at adi is fast-paced and promises variety, progression and opportunity.

We are dedicated to creating a winning team with a strong work ethic, a commitment to excellence and above all, a passion for engineering.

## HOW TO APPLY

If you are a professional hands-on, self-motivated and team focused individual who is reliable and flexible in their approach to work with a keen eye for accuracy and attention to detail – we want you!
